Mr Sember

I do not wish to abandon my  
patent claim 10/828,805 - 2875.

When I first read your communica-  
tion I thought it said 3 months  
rather than the 30 days or 1 month  
that I now see it says.

That seems rather short notice,  
especially for something that  
took 2 years to initiate. And  
to label my claim abandoned (within  
30 days) from 1 notice from you. What  
if I was on vacation, or the mail  
was lost?

I will send further communication.

Thank You

Wm Sember
